

# THE BEAM

## THANK YOU!!!

Wakonda Alumni and friends are amazing! You have worked hard to decrease the \$100,000 deficit camp faced due to the canceled 2020 season (in light of the Coronavirus pandemic). At the time of this newsletter, you have together raised over \$76,000!

This is incredible! THANK YOU for your continued support for the ministry of Wakonda! Your care and support are allowing future campers to continue growing in faith in the setting of God's amazing creation at Wakonda!

## 2021 Season Preparations!

We are gearing up for a great 2021 season at Camp Wakonda! SAFETY is our first priority! Of course, we anticipate incorporating some health protocols to keep campers, staff, and guests safe. We will be asking guests to have masks on hand for indoor activities (we will have extras, as needed).

We'll be dividing the camp into small explorer groups, which will stay together for all activities throughout the week. Our Head Cook, Andrew Bauch, is developing COVID-friendly guidelines for the dining hall, and Pastor Ben is arranging exciting and fun programming that works for smaller group sizes.

Yes, it'll be a different year, but kids will still get a great experience of God in Christian community through the joy of camp. Registration starts in January! Learn more by going to [www.wakondacamp.org](http://www.wakondacamp.org).

## Wakonda Virtual Worship Service

We've been working on a Virtual Worship Service that can be used to give pastors and worship teams a Sunday off. It will be available on YouTube soon! Make sure that your church is participating by having your church contact Pastor Ben at [bgeorge@cantoncpc.org](mailto:bgeorge@cantoncpc.org) or 330-735-2740.
