PASTOR'S NOTE

When you click on your remote or scan your social media in search of the news, you quickly find that good news is difficult to come by. These past few years good news seems almost completely absent. Beyond COVID and political division there is the usual bad news: robberies, murders, weather calamities, hijacking…you get the point. Then you go to the grocery store checkout only to find the tabloids. I guess misery loves high-profiled company.

We are inundated with bad news, but we yearn deeply for good news. It is the yearning for good news that gets us up out of bed every morning. We hope to find a forgotten $20.00 bill in our pants pocket. There are plans for a birthday party come the end of the workday. You're on your way to pick up that new car you've been saving for. We live for good news!

Christianity is a faith built on good news. In fact, the message of Christianity is known as "the gospel," which means (duh!) "Good News!" Most of us adhere to the faith precisely because it offers meaning and hope to people who are so often inundated with bad news. It's why we "do church." Yet even here the news often seems bad: sex scandals, corrupt televangelists, and church closings appear to contradict the gospel! Still, hope persists. Our experience is somehow reinforced as years go by. God is faithful!

What words would you use to describe Christianity? "Jesus Christ?" "Grace?" "Redemption?" "Truth?" "The Bible?" "Love?" They are all useful words, and each contributes to the complete portrait, but when push comes to shove, we all know that Christianity is a faith premised on the life, teachings, ministry, death, and resurrection of Jesus. When the news is all bad and when hope alludes us, I think it best to reengage what the books of the New Testament have to say about Jesus. Okay, it is a good idea to consider the words and actions of Christians you respect, but do so knowing that we all are very imperfect in our practice of faith. While the church, and those in the church are often aligned with the word and will of God, we in the church do not set the pattern. Jesus sets the pattern. If you want to commit to the pattern, you have little choice but to know Jesus, and know him through the scriptures!

I've always struggled thinking of Christianity as a religion. When I think of religion I think of belief systems, "correct" theology, rules, and expectations. Most people understand religion as a practice that makes us right with God. If we believe this, that, and the other thing, and/or if we act this way or some other way, God will accept us (or at least not be so upset with us!). Religious practice is founded on the idea that somehow, we must earn God's approval. That is no kind of good news. How can one meet the expectations of a perfect and righteous (a perfectly righteous!) God? Yikes!

No, the good news of Jesus Christ does not form the basis of a religion. It forms the basis of a relationship. This is something we easily forget. That is why living into the Holy Scriptures is so very, very important. You get to know Jesus Christ by reading, studying, and praying the scriptures. In doing so, it doesn't take long to remember, again, that the Gospel is really good news for you and me. Why? Because it reminds us of the depth, width, and height of divine love. The CPC choir reminded us of this just a few Sundays ago.

Jesus loves me, this I know, for the Bible tells me so.
Little ones to him belong; they are weak, but he is strong.
Yes, Jesus loves me! Yes, Jesus loves me!
Yes, Jesus loves me! The Bible tells me so.

Thanks be to God for the good news of the Gospel!

CHRISTIANS AND RACIAL JUSTICE

A CPC, a discussion series hosted on Zoom designed to spark conversations concerning racism and racial justice.

From the Children's Ministry

We are so glad for the return of our program year and have both in person and remote opportunities for our children. We've made a few updates to our Sunday morning format to best meet the needs of our children and families.

On-Line Programming

- **9:45am-10:15am: On-line Sunday School** via zoom for kids age 3-5th grade. Link available in the Friday email blast or by contacting Jennie George at jgeorge@cantoncpc.org

In-Person Programming/Class Schedule

For Children (age 3 through 5th grade):

- **Nursery:** Will remain closed for now for the safety and health of both our littlest congregants and our volunteers.
- **9:00-9:30am:** Children's Choir rehearsal
- **9:00am** Classrooms open for Little Learners (age 3-K) and Grade School (1st-5th) for fellowship and play. Sunday School begins at 9:30am. Once dropped off for class or choir, parents do not need to pick up their child until the end of worship. Class teachers and helpers will escort the children to each activity.
- **10:30am:** Worship, Children's Message in the Sanctuary then Kids' Church
  Following the Children's Message, children attending Kid's Church will now meet at the BACK of the Sanctuary following the Children's Message so kids in the balcony do not have to pass through the lower section. Kids should be picked up in the lower level classrooms at the end of worship.

For Youth (Grades 6th through 12th):

- **9:15am-10:15am:** Sunday School for Middle School and Senior High (grades 6th-12th) in the youth room.
- **End of Worship-1:30pm:** Youth Group/Confirmation (grades 6th-12th) Lunch will be served in West Hall to start and then move to Youth Room or Courtyard (weather permitting)

A few health and safety notes for families:

- Children and youth will be required to wear masks for any classes, programs, or activities that occur indoors. Masks are optional when gathered outside.
- For children who do not wish to wear a mask, there are activity bags/pages for children and youth located at the front west door of the Sanctuary to help them stayed engaged during worship.
- Each classroom/youth room/choir room now has an air purifier to help cycle air to help reduce the spread of germs through the air.
- For our age 3 through 5th grade classes, each child will now have their own supply box to use each week with often used items. Toys will be sanitized each Sunday.
- The balcony area of the Sanctuary has been designated as an area that masks and social distancing are required.

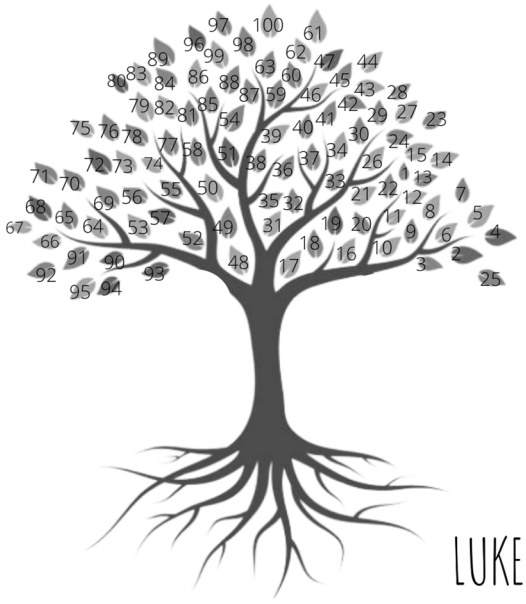
TIQVAH Hands of HOPE



Still other seed fell on good soil. It came up and yielded a crop, a hundred times more than was sown."

When he said this, he called out, "Whoever has ears to hear, let them hear."

Tiqvah is starting our campaign to get 100 new monthly donors by Christmas. Our goal is to plant seeds in good soil, and grow our community a hundredfold. With your financial help we can grow as an organization to partner with our families in encouraging our students to be good fruit to their peers. Showing the fruits of the spirit to everyone around them and encouraging the change in our community that Canton deserves.

HOW IT WORKS: on the tree there are 100 leaves. Each leaf represents a dollar amount, ranging from $1-$100. As you prayerfully consider donating, head to our website Tiqvah.org/championofhope to create a Champion of Hope profile where you will specify which dollar amount you would like to represent on a monthly basis.
At the end of each week, we will update our Tiqvah family on the progress of our tree. In hopes that we can color in each leaf to create a beautiful representation of the growth we will have!

Thanksgiving BASKETS Downtown

Sharing the Feast

Normally this time of year we, as a congregation, begin collecting items to help our friends at the Thanksgiving Baskets Downtown project provide all the fixings for a thanksgiving meal to over one thousand Stark County families. With COVID numbers again at a high level, the TGB project is once again asking for monetary donations instead of individual item donations from participating churches to reduce the number of volunteers needed to be in close contact for sorting and organizing. If you would like to make a donation to help this year you can go online to www.thanksgivingbasketscanton.org or can mail a check to: Thanksgiving Baskets Downtown P. O. Box 8032 Canton, OH 44711

An Update on our Food, Clothing & Prayer Ministry:

Hello Friends-
I wanted to share with you what has been going on with the Food and Clothing Ministry (FCP) since we came back into the building late spring.

We have made so many changes to our program that I wonder if we might not be more accurate calling ourselves the FCPPBHWA Ministry. As we moved back into the church we added several new aspects to our program to better address growing needs in the community, so maybe FCPPBHWA is a clumsy, albeit better description! Here's what we do....

Food bags with chicken, hotdogs, bread, and toilet paper
Clothing
Pantry stocked with toiletries and non-perishables
People to listen to their concerns and offer support or prayer
Breakfast hot out of the oven when they arrive
Help Desks to provide resources on topics relating to health, wellness, and housing
Worship and Singing in the Chapel
A group of volunteers who genuinely care to offer assistance on one-of-a-kind issues that our friends face

That said, we still face challenges offering our Ministry while COVID still rages on. We are in-person but are making modifications as the circumstances dictate. Our friends still need help and support, so we are working to do all of this in the safest way possible.

Thank you for donating so many socks to our recent drive. As the nights are getting cooler, we are **now working to bring fall clothes into our Clothing Room.** Your donations of new or gently used clothing would be greatly appreciated. This room also **stocks sheets and towels**. These are luxuries that most programs don't offer and are expensive for our friends to purchase.

If you have any questions, please give us a call. As always, your thoughts and support keep this Ministry so vital. Blessings, Lorraine

A Concert of Solace and Assurance

CHRIST CHURCH CHANCEL CHOIR

Anthems, Scripture Readings, and Hymns will reflect on the events of the past year.

(This concert will take the place of the previously scheduled Duruflé *Requiem.)*

THANK YOU ALL!! Camp Wakonda had a great Summer and Fall, and we are already making exciting plans for 2022. Thank you for the many ways you have supported and encouraged our ministry this year. Together, we were able to connect children, youth, and adults to Christ through the Christian community in God's amazing creation at Wakonda.

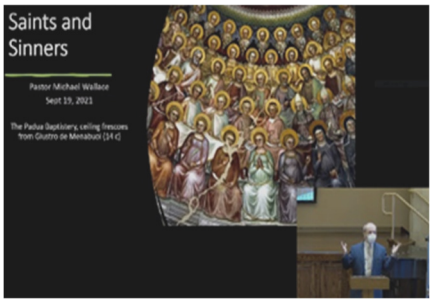
Please continue to hold our staff and campers in prayer over the next several months!

As good stewards, we are preparing the camp for winter and there are a variety of things to do. If you are able, please join us for our annual Camp Closing on Saturday, October 9th from 9am-3pm (breakfast treats & lunch will be provided).

Pastor Michael is taking courses from Gordon Conwell Theological Seminary

A few years ago, Pastor Michael sensed a call to pursue further graduate-level theological education. Starting this semester, he is virtually attending Gordon-Conwell Theological Seminary for a ThM (Master of Theology). He is very glad that this online option allows him to continue serving in full-time ministry, while pursuing this degree. Pastor Michael is also very grateful to receive support from the Parkinson Theological Education Fund to offset the cost of his studies. This semester, he is taking a course on research methods and the book of Exodus.

Westminster Sunday School Class now livestreaming on YouTube!



We are very excited to now offer a livestream of the Westminster Sunday School Class on "Saints and Sinners." This is available on our YouTube channel on Sundays at 9:15 AM and will also be available afterwards for those who cannot attend at that time. As you can see in this picture, you can see both the PowerPoint presentation and also the teacher of the day. We continue learning about church history and on particular noteworthy people, who serve as models of faith. Our prayer is that, as we consider Church history and those saints who have gone before, we might be inspired and challenged in our faith journeys. Join us in person in Westminster Hall or online on YouTube Sundays at 9:15 AM.

SESSION NOTES
SEPTEMBER 21, 2021

We met on Tuesday 9/21 at 6:30 and began with Worship led by Jerry Norton. Jerry shared his thoughts about the legacy we may each leave and no matter how we are remembered here on earth, God remembers us in a comprehensive and perfect way.

The minutes from August meeting and the Clerk's Report were both approved and the Finance Report was received by Session.

Pastor Ben reported on Camp Wakonda's summer successes. All of our guest groups returned and we even had some new ones! There were systems and processes in place to address concerns over COVID-19 and he was pleased to report that no cases were reported at camp. The Staff came together nicely and did a great job. Pastor Ben would be pleased if any of them applied to return next year.

Miss Jennie explained how Children's Sunday School has been adapted to make the morning run more smoothly for the children as well as the parents. There is an onsite teacher as well as an online teacher providing a wide range of services to our families. We are still in need of teachers for grade school and middle school. They are eligible for $50/ week. If you know of someone to recommend, please contact Miss Jennie. And, Miss Jennie is planning to attend an annual conference for Christian educators in February.

Pastor Michael has the lead on the Westminster Class for Sunday mornings. This class is live and is now available livestream as well. He has several local leaders participating in teaching this class. Also, Pastor Michael is leading 10 new confirmands this year through scripture and Bible reading.

Pastor Dave is providing the details needed by the insurance company in order to have a new flag pole installed. He is wrapping up his Bible study on John and the next study topic is TBD. There are 2 other studies beginning. Members and friends are invited to participate in the Sojourners and Building Bridges groups. The worship schedule is planned through January 2022 and includes a sermon series in October as well as for Advent. We have added Canton Rotary to the groups that are utilizing our space. The Habitat for Humanity project is complete and Courtney Brown will be a guest preacher.

The Property Ministry is proceeding with roof repairs on the sanctuary.

Please keep all of our members, families and community in your prayers.

October TYDINGS

What do you think Jesus means when he says, "*If any want to become my followers, let them deny themselves and take up their cross and follow me and follow me."?* The question touches upon the very essence of what it is to be a disciple of Jesus Christ. What does it mean to "follow Jesus?" How do you go about it?

October finds the preacher confronting three texts from the Gospel of Mark that force us all take a "deeper dive" into what it means to live as faithful disciples of Jesus Christ.
