PASTOR'S NOTE
May 2023

When did Christianity begin? You get five choices.

A. The day Jesus was born.
B. The day Jesus was baptized.
C. The day Jesus was crucified.
D. The day Jesus was resurrected.
E. The day Jesus ascended into heaven to sit at the right hand of the Father.

If you answered A, B, C, or E, you are wrong. If you answered D, you are also wrong! Sorry, it was a trick question.

Historically, it has always been understood that the Christianity was born when the church was "born." When was the church born? The church was born, we say, on Pentecost, the moment the disciples received the power of the Holy Spirit (as promised by Jesus). As religious observances are concerned, Pentecost is often ignored or given minor status. One Presbyterian minister I know once suggested the following:

"The importance of Pentecost depends on the person. On a scale of one to ten, most Christians would say the Easter celebration is a 10, Christmas is an 8 and Pentecost is a 3. But to me, personally, as religious observances go, Easter rates a 10, Pentecost a 7 and Christmas a 6."

Why?

The backstory is important! Throughout his ministry Jesus tells his disciples that he will have to leave them but that they must carry on his mission. Doing so will not be easy. There will be hardships and suffering. As the time for Jesus' arrest, crucifixion, and death approached, Jesus tells his disciples that they will not be "left alone" to continue his ministry. As that time approaches Jesus says to his disciples:

"If you love me, you will keep my commandments. And I will ask the Father, and he will give you another Advocate, to be with you forever. This is the Spirit of truth, whom the world cannot receive because it neither sees him nor knows him. You know him because he abides with you, and he will be in you…the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything and remind you of all that I have said to you."

Jesus keeps his promise. Fifty days after Jesus ascends into heaven, the Holy Spirit descends, falling on the hearts and minds of the disciples who had gathered to wait for such a moment. You can read the story in Acts 2.

So why is Pentecost so very important? Why should we so greatly value the event this day commemorates? We are disciples of Jesus Christ. His mission is our mission. Thus, the mission of the church is no small matter. Our mission exists in relation to the many and varied needs of "all the world." Every day presents endless invitations to take up a worthy cause. The volume of need could drive us to utter distraction and hopelessness. But Jesus tells us to depend on the Holy Spirit for direction: *"When the Spirit of truth comes, he will guide you into all the truth…"*

As Pentecost 2023 approaches (Sunday, May 28th), CPC can celebrate with joy and high expectation. Right now, the Session of CPC is witnessing to us all what it is to depend on the power and presence of the Holy Spirit. As they are discerning how our mission life will continue to unfold in the many years before us, they acknowledge their dependence on the living Spirit of God to guide and lead them. They take confidence in their decisions only as they can locate their decisions in and through the power of the Spirit. Proof of God's loving and continued guidance and leadership though the Holy Spirit is palpable among us.

Their work should inspire each of us and reaffirm our individual faith in God's continued presence and guidance. Jesus has risen, indeed! And the Holy Spirit has come. We are a Spirit-lead people! Thanks be to God!

Shalom, friends,

Pastor Dave

Friends,

What does it mean to be a member of the church? According to our Book of Order (G-1.0304), "Membership in the Church of Jesus Christ is a *joy* and a *privilege*. It is also a *commitment* to participate in Christ's mission. A faithful member bears witness to God's love and grace and promises to be involved responsibly in the ministry of Christ's Church. Such involvement includes:

- proclaiming the good news in word and deed,
- taking part in the common life and worship of a congregation,
- lifting one another up in prayer, mutual concern, and active support,
- studying Scripture and the issues of Christian faith and life,
- supporting the ministry of the church through the giving of money, time, and talents… and
- reviewing and evaluating regularly the integrity of one's membership, and considering ways in which one's participation in the worship and service of the church may be increased and made more meaningful.

Membership in the church doesn't mean that you're at church every day of the week and serving on every committee or ministry, but membership does imply an expectation of mutual commitment between the congregation and the individual. Now, our Session regularly tries to review our congregation's membership rolls.

Firstly, we do this because sometimes it takes a village to take care of a congregation our size and to know about the inner workings of everyone's lives. All too often, the pastors are the last ones to hear some emergencies or family concerns, so it's helpful to have this time to check in as a Session and share what we know in the spirit of caring.

Secondly, we recognize that, especially in the last few years with COVID, several families have stopped coming to church, have found a new church home elsewhere, or have moved out of the area. It's important for our leadership to have an accurate picture of our membership, especially so we know who considers themselves a member and who it is that we should be checking in on periodically.

Thirdly, within the Presbyterian system, for each member that a congregation has, the church is required to pay what is called "per capita" (understood as dues) to the denomination, which gets distributed to the Presbytery, Synod, and the General Assembly. These funds help to support denominational staff and mission projects both near and far and are vital to the way our denomination functions. For each member, we pay $31.46 annually. Since we currently have around 520 members, we pay the denomination over $16,000 annually. This means that even if you no longer attend but are still listed on our rolls as a member, we are required to pay this per capita on your behalf.

Right now, our Session is reviewing our membership rolls and discerning together how various members may no longer be as connected as they once were and we're trying to develop a plan to move forward. To that end, you may receive a letter soon about your membership. We ask you to read it carefully. Even if you do not get a letter, we invite you to consider what it means to be a member at Christ Presbyterian Church.

- If you have found a new church home where you're growing in faith, please let us know and we would be happy to transfer your membership there!
- If you attend another church out of state for part of the year and want to retain your membership at CPC, we would be glad to make you an affiliate member of the congregation.
- If you'd like, you may also ask us to remove your membership.
- If you don't fit into any of these categories, but you haven't been able to come to worship for some time, we would love to see you and hope that you feel welcome anytime to return.

No matter where you are in faith, we want you to know that we are here to support you and to pray with and for you. May you continue to hear the Holy Spirit's call to join together with other believers to worship our risen Savior, Jesus Christ.

Thank you and God bless,

Pastor Michael

Session Notes—April 18, 2023 Meeting

Session convened at 6:00 p.m., April 18. Byrdie Stocker provided an excellent meal. Jen Anderson led a thoughtful worship experience, sharing the impact of the Spirit's work through our church and Camp Wakonda on her life.

Pastors Ben George and Michael Wallace led a time of continued worshipful consideration of what is meant by the Kingdom of God, and how seeking it should consistently be the motivation for our decisions. They left Session with an assignment to identify where we have seen the Kingdom between the April and May Session meetings.

Session is required to review the rolls annually, but this has not occurred since prior to the pandemic. Pastor Wallace began this process by providing a list of names for consideration to move to an affiliate status, transfer to another congregation, or remove from the roles. The list was compiled in cooperation with Diane Nave and David de Vries. Session is to consider this list, and provide feedback promptly. The process is to be completed at the May Session meeting. Action was taken to remove pastors Linda Leon and Kathryn Ophardt from our roles since ordained pastors are automatically considered members of the Presbytery rather than members of a congregation.

Pastor Ben George presented his report. There is much to be thankful for at Camp Wakonda! Registration is on par with pre-pandemic levels. Pastor George asked for help making calls to the parents of past campers who have not registered yet, and newly registered campers in order to build relationships. The camp staff is complete. Assistant Camp Manager Zack White has been hired to help out as Ben assumes additional duties at the church. Camp opening is April 22. All are welcome! The camp is currently running a small financial deficit, as expected, prior to the camping season.

The Pass It On capital campaign is proceeding. $550,271 of the $999,000 goal has been achieved. The Stark Community Foundation is considering additional funding. They are expected to complete their considerations in April. Projects funded by the campaign are well underway. This includes the purchase of the adjoining FFA Camp property, approved by Session at a special meeting held on April 4.

Pastor Michael Wallace presented his report. Pastor Michael has worked with staff and volunteers to hire a new office assistant, Audrey Hilton, and to compose job descriptions for AV Tech, Van Driver, and, Director of Children's and Family Ministries. He moderated the April Personnel Ministry meeting, and met with a number of local pastors to explore different models of pastoral leadership. Pastor Wallace continues to be very actively involved in planning and carrying out worship services and Christian education. Pastor Wallace is developing community mission opportunities with other organizations including Tiqvah, and Canton For All People. A downtown church tour is planned for April 30, 2–4 pm, and a prayer walk for June 4.

Pastor David de Vries was unexpectedly absent due to travel delays returning from visiting the family of Tom and Carolyn McCain in Florida. He communicated a request for 8 PTO days to attend a family funeral and for vacation. Session approved this request.

Elder Adam Wiggins will report on Jennie George's exit interview at the next Session meeting.

The April finance report was unavailable. Discussion and action will occur at the next Session meeting.

Nancy Irving, clerk, reported the deaths of members Carolyn McCain (91—died Apr. 1, 2023, New Smyrna Beach, Florida), and Jan Puterbaugh (81—died March 29, 2023, Canton, Ohio). The clerk's report was accepted by Session.

Unfinished business included a report on the scholarship application process. Pastor Wallace reported that the application is available electronically, and that scholarship distribution will occur in June. Criterion have been changed to allow applications from students who have already received two years of scholarships.

The placement of the gun violence statistics sign was also discussed. Elder Bert Smith will contact Pastor de Vries to expedite either the placing of the "hard copy" sign, or inclusion of the data on the electronic sign. We now have an operator for the electronic sign.

Under New Business, clerk Nancy Irving notified Session members who need to update their BCI background checks, and collected the necessary information.

Elder Chuck Ash and Pastor Wallace informed Session that the congregation needs to approve Pastor de Vries' retirement plan. Subsequent to that a Pastoral Nominating Committee needs to be formed. Action was taken to include this on the agenda of the May 7 congregational meeting, along with appointing the PNC, voting on church officers, and updating pastoral terms of call.

Elder Adam Wiggins made a motion to consider annual cost of living adjustments for all staff. The COLA would

be developed by the personnel ministry and the treasurer with consideration given to the percentage COLA made by the SSA in that year. This motion was approved.

Elder Chuck Ash reported on Presbytery Mission Partnership Activities.

Elder Bert Smith reported on the planned distribution of funds from the Heritage Legacy Fund. The following motion was made and passed: That Session approve the Heritage House Legacy Fund steering committee recommendations for funding as follows:$5000 to Community Building Partnership, $5,000 to Domestic Violence Project, $10,000 to Habitat Faith Build, $9,000 to Canton For All People, and $7,000 to Hammer and Nails.

Other actions taken by Session, not previously referred to include: Motion to designate $1,200 for reimbursement to César Carhuachín, Presbyterian Mission Partner for travel expenses for visit on April 30, Motion to approve taking $10,000 from Spirit and Space proceeds to fund Mission Committee projects as presented to Session.

The meeting closed with prayer for congregation members and the Lord's Prayer.
Respectfully submitted,

Elder Albert Smith

Blessing Box at CPC

Deuteronomy 15:11 says, *"There will always be poor people in the land. Therefore, I command you to be openhanded toward your fellow Israelites who are poor and needy in your land."* After the April 23, 2023 service, we dedicated our Blessing Box. Located by the parking lot shed, the box contains canned goods and personal care supplies for those in need. It is intended to complement the Food, Clothing and Prayer ministry between the scheduled distributions. All are welcome to place or remove items from the Box at anytime. There will be a cart in Cloister Hall to accept donations as well. A list of needed supplies is near the cart. From 1 John 3:17–18 *"If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth."*

Needs for our Clothing Room

As our numbers increase for the Food Ministry, we are also seeing greater need in our Clothing Room. This room offers not just clothing, but also gently used towels, sheets, and blankets. As you do some spring cleaning, please keep us in mind. Our shelves are BARE! Please wrap sheets together and label the size so that they are easier to identify.

Thank you for thinking of us!

Christ Caring *for* People *through* People

That's the motto of Stephen Ministry. The Stephen Minister's role is to bring God's love into the lives of people who are going through a difficult time or experiencing a crisis. What do Stephen Ministers do? They listen, care, support, encourage, and pray with and for a person who is hurting. And in the midst of this confidential, one-to-one, caring relationship, God's healing love comes pouring through.

If you or someone you know is facing a crisis—large or small—and could benefit from the caring presence of a Stephen Minister, talk to Pastor Michael. Our Stephen Ministers are ready to care for you!

Brothers and Sisters in Christ, and Friends of Wakonda:

Last Sunday, a friend approached me and, with a smile on his face, said he and his wife had made a contribution to the "Pass It On" campaign and, therefore, we could begin doing the work projects that need to be done. I thanked them, as our ministry team does whenever we become aware of a pledge or gift being made, and said we were already "on it."

In prior letters to you, we have given you a link to the project list and have been telling (and showing) you about the work being done, including adding a generator, remodeling the kitchen (now completed), re-siding the director's house, and remodeling the Activity Building. Paving the drive and re-roofing cabin wash houses should also be done soon. There are a number of other jobs Ben is working to get completed before program year starts.

Pledges made and gifts given are at $600,000 so far. We need your help to get us to our target of $999,000 so all of the projects can be addressed. If you're using some of your IRA funds, remember the Qualified Charitable Distribution withdrawal strategy. Using it could save you taxes and help make a difference for Wakonda's "Pass It On" campaign.

Thank you for your support.
