A Weekly Insight to the Children's Ministry at CPC

Children and Family Ministries

Children are not the church of tomorrow…they are the church of today.

Acolytes!

We love having our children as leaders in worship and we welcome new acolytes this year! Acolyte teams include a crucifer – the person who carries our cross, a Bible bearer – self-explanatory, and either a water bearer (to fill our baptismal font) or chalice bearer (on communion Sundays). We will be having an acolyte training on Sunday, October 1st following worship until 1:30 pm. We'd like any new or returning acolytes to join us for this. Our recommendation is 2nd grade and older for acolytes but know that we typically have a teen or pre-teen serving as the team lead and crucifer, and if you think your child is ready even if younger, let us know. We will provide lunch between church and the training, but we'd like an idea for numbers so please sign up for the training out at the Welcome Center – the sign-up sheet is pink! If you have questions, please find Vanessa Worley, our Acolyte Coordinator, or Kate George. During the training, we will find and assign robes and review and practice acolyte tasks. Vanessa makes a rotating schedule, so you just need to let her know dates that work or don't work for your family."
